## STATUTORY MEETING AGENDA - 23 NOVEMBER 2021

### 1. WELCOME

Welcome to this meeting of Council. This meeting will be live streamed and recorded, and the voices and images of those participating in the meeting, and in the gallery, may be captured as part of this recording.

### 2. ACKNOWLEDGEMENT OF THE TRADITIONAL OWNERS OF THE LAND

We acknowledge the traditional owners of the land on which we are meeting, and pay our respects to their elders past and present.

As Councillors we have all taken an oath to carry out our duties in the best interests of the people of Indigo Shire and to do this in a fair and impartial manner. We are all committed to exercising the Council's powers and functions to the best of our skills and judgment.

### 3. APOLOGIES AND LEAVE OF ABSENCE

### 4. DECLARATION OF CONFLICT OF INTEREST

Sections 126 to 131 of the *Local Government Act 2020* (the Act) define the specific circumstances that lead to a conflict of interest and describe what Councillors and Council Officers must do if they believe there is a conflict.

In relation to this particular meeting it is important to note that under the *Local Government (Governance and Integrity) Regulations 2020*, regulation 7(1) expressly excludes the following situations that are taken to **not have** a conflict of interest:

- a. the nomination or appointment by the Council of a Councillor to a position for which the Councillor will not be remunerated
- ...
- d. the nomination of a Councillor for election to the office of Mayor or Deputy Mayor
- e. the election of a Councillor to the office of Mayor or Deputy Mayor under section 25 or 27 of the Act
- f. the appointment of a Councillor to the office of Acting Mayor under section 20B of the Act.
- g. the payment of allowances to the Mayor, Deputy Mayor or Councillors as provided for under section 39(6) of the Act
- ...
- q. a resolution by the Council that has the effect of making the Councillors eligible or ineligible for the superannuation guarantee under any taxation legislation.

### 5. ELECTIONS

#### 5.1 MEETING PROCEDURE

File No: 2021/1071

Jane Still – Acting Executive Manager People and Governance      Executive Management

#### For Information

#### INTRODUCTION

The purpose of this report is to outline the procedure used at the annual Statutory Meeting.

#### BACKGROUND

The procedure for this meeting is set by Governance Rules, with additional requirements of the *Local Government Act 2020* (the Act).

The Governance Rule 11(a) describes the activities to take place at the annual Statutory Meeting:

- i. Determination of the Mayoral Term as one or two years
- ii. Election of Mayor;
- iii. Election of Deputy Mayor;
- iv. Councillor appointments to external organisations and internal committees;
- v. The adoption of the annual meeting schedule;
- vi. Any other items required by the Act.

The Act now provides that Mayoral and Councillor Allowances will be set by the Victorian Independent Remuneration Tribunal. The Minister for Local Government has called on the Tribunal to make a determination, which is expected in late 2021. Therefore a report to consider Mayoral and Councillor Allowances is not required. Council finalised its previous process of reviewing allowances in April 2021.

#### PROCEDURE

Section 25(3)(a) of the Act requires that the election of the Mayor **must** be chaired by the Chief Executive Officer. Therefore the CEO will chair the meeting until the Mayor is elected. The CEO, as temporary chairperson, will perform any meeting preliminaries that may be appropriate, and has the usual administrative rights and responsibilities of the chairperson.

It is customary at Indigo Shire Council for temporary chairperson to invite the outgoing Mayor to speak about their time as Mayor. Following this, the second temporary chairperson will move to the item Election of the Mayor.

Once elected, the Mayor will assume the position of Chair for the duration of the meeting.

## 5.2 SETTING THE MAYORAL TERM

File No: 2021/879

Trevor Ierino - Chief Executive Officer

Executive Management

### For Decision

#### RECOMMENDATION

That the Mayoral term be set at [one or two] years

#### PURPOSE OF REPORT

The purpose of this report is to present to Council the relevant information, legislation and process to allow for a determination of a Mayoral term.

#### BACKGROUND

The setting of the Mayoral term is an important decision which will influence the way Council operates.

Section 26(3) of the *Local Government Act 2020* (the Act) requires that, before the election of a Mayor, a Council must resolve whether the Mayor is to be elected for a one year or a two year term.

#### DISCUSSION

The determination of the Mayoral term must precede the election of the Mayor. Whether a one or two year term is determined, the next election of Mayor must be held as close to the end of that term as is reasonably practicable. Therefore the next decision of the Mayoral term will precede the next election of the Mayor (one or two years).

Previous Councils have set a one year term and so the Mayoral term has been decided each year at Council's statutory meeting.

#### Options

The Act requires that prior to the election of Mayor, it must determine a Mayoral term. The options available to the Council are around the duration of the term of one or two years.

#### STRATEGIC CONTEXT

COUNCIL PLAN 2021 – 2025	
Theme	5. Accountability
Strategic Objective	5.5 Our Councillors and organisation are committed to the highest level of governance practices and conduct.

The process detailed and the recommended action are compliant with the Act.

#### SOCIAL/COMMUNITY IMPLICATIONS

The choice of a one or two year term is unlikely to have any significant community or social impact.

#### ENVIRONMENTAL IMPLICATIONS

There are no environmental implications of the decision.

### LEGISLATIVE IMPLICATIONS

- Section 26(3) of the *Local Government Act 2020* requires the Council to determine by resolution whether the Mayor is to be elected for a one year or a two year term.
- The Governance Rule (13) *Setting Mayoral term* states “the election of the Mayor will be for a period of either one or two years as determined by Council resolution, except in the final year of a Council term when the Mayor can only be elected up to the end of that Council term.”

### RISK & OPPORTUNITY MANAGEMENT

This is a standard statutory function of the Council with minimal risk mitigated by adhering to the requirements of the Act.

### COMMUNITY ENGAGEMENT

No community engagement was undertaken.

### CONSULTATION/COMMUNICATION PROPOSED

This is a standard statutory function of the Council. Communication of the Mayoral term will be included in information about the election of the Mayor.

## STATUTORY MEETING AGENDA - 23 NOVEMBER 2021

### 5.3 ELECTION OF MAYOR

File No: 2021/880

Trevor Ierino - Chief Executive Officer

Executive Management

#### For Decision

#### RECOMMENDATION

That Council elect Councillor [REDACTED] as Mayor of Indigo Shire Council for a term of [as resolved in the previous item].

#### PURPOSE OF REPORT

The report outlines the process and legislative requirements for the election of the Mayor.

#### BACKGROUND

The *Local Government Act 2020* (the Act) requires Councils to elect a Councillor to be the Mayor of the Council at a meeting that is open to the public, as close to the end of the previous term as is reasonably practicable.

Subject to section 167, any Councillor is eligible for election or re-election to the office of Mayor.

The election of the Mayor is one of the critical decisions that Council makes at the Statutory Meeting.

The Mayor is the most visible and high profile Councillor and the person viewed as responsible for the performance of the Council. The Mayor has all the responsibilities of a Councillors plus additional roles prescribed in the Act.

The Mayor will take the Chair of this meeting following his or her election.

#### DISCUSSION

The Mayor is required to chair Council meetings, be the principal spokesperson for council and attend civic events on behalf of Council. Provisions in the Act require the Mayor to:

- lead engagement with the municipal community on the development of the Council Plan
- report to the municipal community, at least once each year, on the implementation of the Council Plan
- promote behaviour among Councillors that meets the standards of conduct set out in the Councillor Code of Conduct, and assist Councillors to understand their role
- take a leadership role in ensuring the regular review of the performance of the Chief Executive Officer
- provide advice to the Chief Executive Officer when the Chief Executive Officer is setting the agenda for Council meetings.

The Mayor has specific power to:

- appoint a Councillor to be the chair of a delegated committee; and

## STATUTORY MEETING AGENDA - 23 NOVEMBER 2021

- subject to any procedures or limitations specified in the Governance Rules, direct a Councillor, to leave a Council meeting if the behaviour of the Councillor is preventing the Council from conducting its business; and
- require the Chief Executive Officer to report to the Council on the implementation of a Council decision.

The election of the Mayor must be conducted in accordance with the Governance Rules.

The procedure to elect the Mayor under Governance Rule 14 is as follows:

- a. The Temporary Chairperson (the CEO) must invite nominations for the office of Mayor.
- b. A nomination that is not seconded will lapse and the Councillor nominated will not proceed to the Mayoral vote.
- c. If there is only one nomination, that nomination must still go to a vote and receive an Absolute Majority of the votes to be declared successful.
- d. Nominated Councillors may address the Statutory Meeting for up to five minutes on their candidacy. Nominated Councillors will be called in alphabetical order by surname.
- e. Councillors present may only vote for one of the nominated Councillors, with nominated Councillors being put to the vote in alphabetical order by surname.
- f. In the event of a nominated Councillor receiving an Absolute Majority of the votes that nominated Councillor is declared elected as Mayor for the term as previously decided by Council.
- g. If no nominated Councillor receives an Absolute Majority of the votes –
  - i. the nominated Councillor with the fewest votes is eliminated.
  - ii. The process of voting and elimination of nominated Councillors is repeated until:
    - a. one nominated Councillor receives an Absolute Majority of the votes, and is therefore declared elected as Mayor for the term as previously decided by Council; or
    - b. there are only two nominated Councillors remaining having an equal number of votes.
- h. In the event of a tied vote with two nominated Councillors having an equal number of votes the nominated councillor Mayor will be determined by the drawing of a Lot in accordance with rule (15).

Notwithstanding rule 15, under the Act, if an absolute majority of the Councillors cannot be obtained at the meeting, the Council may resolve to conduct a new election at a later specified time and date. The Governance Rules set this date as no later than two weeks from the Statutory Meeting. An absolute majority is defined by the Act as the number of Councillors greater than half the total number of the Councillors.

After the election of the Mayor is determined, the Mayor will chair the Statutory Meeting from that point forward.

The Mayor must take the chair at all Scheduled and Additional Council Meetings at which they are present, unless precluded from doing so because of a conflict of interest.

## STATUTORY MEETING AGENDA - 23 NOVEMBER 2021

### Options

The election of a Mayor is required by the Act. Councillors may elect any Councillor who is willing to be nominated and is not subject to a prohibition under Section 167.

### STRATEGIC CONTEXT

COUNCIL PLAN 2021– 2025	
Theme	5. Accountability
Strategic Objective	5.5 Our Councillors and organisation are committed to the highest level of governance practices and conduct.

The recommended action and the Governance Rules under which the election will take place are compliant with the changes introduced by the *Local Government Act 2020*.

### SOCIAL/COMMUNITY IMPLICATIONS

The Mayor is a symbol of democratic leadership to the community, Council and staff members. Creating stability within the elected council and ensuring effective and respectful communication between Councillors and the CEO are part of the Mayor's role. The election of the Mayor will have a direct impact on the quality of the relationship between the community and the Council, and community trust in local government.

### ENVIRONMENTAL IMPLICATIONS

There are no environmental implications.

### FINANCIAL IMPLICATIONS

### LEGISLATIVE IMPLICATIONS

### 5.4 SETTING THE DEPUTY MAYORAL TERM

File No: 2021/881

Trevor Ierino - Chief Executive Officer

Executive Management

#### For Decision

#### RECOMMENDATION

That the Deputy Mayoral term be set at [one or two] years

#### PURPOSE OF REPORT

The purpose of this report is to present to Council the relevant information, legislation and process to allow for a determination of a Deputy Mayoral term.

#### BACKGROUND

Section 27 of the *Local Government Act 2020* (the Act) requires that Section 26 applies to the election of a Deputy Mayor as if any reference in that section to the Mayor was a reference to the Deputy Mayor.

Section 26(3) requires that, before the election of a Mayor, a Council must resolve whether the Mayor is to be elected for a one year or a two year term.

Therefore Council is required to set a Deputy Mayoral term.

#### DISCUSSION

As with the legislative requirement for the election of Mayor, the determination of the Deputy Mayoral term must precede the election of the Deputy Mayor. Whether a one or two year term is determined, the next election of Deputy Mayor must be held as close to the end of that term as is reasonably practicable. Therefore the decision of the Deputy Mayoral term will precede the election of the Deputy Mayor (one or two years).

Previous Councils have set a one year term and so the Deputy Mayoral term has been decided each year at Council's statutory meeting.

#### Options

The options available to the Council are:

- Set a Deputy Mayoral term around the duration of the term of one or two years. It is recommended that the term reflect that decided for the Mayor.
- Choose not to elect a Deputy Mayor, removing the need to set a term

#### STRATEGIC CONTEXT

COUNCIL PLAN 2021 – 2025

Strategic Objective	5.5 Our Councillors and organisation are committed to the highest level of governance practices and conduct.

or

---

---

## STATUTORY MEETING

### AGENDA - 23 NOVEMBER 2021

In accordance with Governance Rule 6(a) this report presents a proposed meeting schedule for the 2022 calendar year.

#### KEY IMPLICATIONS

The scheduled Council Meetings follow the existing Indigo Shire Council protocol of being held on the last Tuesday of each month, commencing at 6:30pm.

Three exceptions to this 'last Tuesday of the month' rule are:

1. No scheduled Council Meeting is held in January.
2. The May meeting will be two weeks earlier to allow for greater up front consultation regarding the Budget.
3. The last Tuesday in December 2021 is during the Christmas shut down period and the meeting has been moved to Tuesday 13 December.

It is anticipated that, in addition to the monthly scheduled Council Meetings, a number of additional Council Meetings will also be required throughout the year. These are often held for time-sensitive processes that do not coincide with a scheduled Council Meeting. As an example, the adoption of the annual report may be required outside of the standard meeting dates.

The proposed dates for scheduled Council Meetings for 2021 are:

- 22 February
- 29 March
- 26 April
- 17 May
- 28 June
- 26 July
- 30 August
- 27 September
- 25 October
- 22 November (Statutory Meeting)
- 22 November (immediately following Statutory Meeting)
- 13 December

The default venue for Council meetings is the Council Chamber in Beechworth, unless held online under COVID-19 provisions, or determined by the Mayor and Chief Executive Officer to be held in an alternative. When the location is to change, the CEO will ensure adequate notice is provided to the community.

#### MEETING ADMINISTRATION

In addition to the setting of the meeting schedule, the Governance Rules provide for the Council to determine the following administrative points:

1. Meeting preliminaries
2. Councillor Report requirements.

## STATUTORY MEETING AGENDA - 23 NOVEMBER 2021

### Meeting Preliminaries

Governance Rule 34 allows for meeting preliminaries as part of the “Welcome” section of the meeting agenda. This is not mandatory and Council is not obligated to perform any preliminary activities.

### Councillor Reports

Governance Rule 43 specifies that Council Meetings may, if determined by Council resolution, require “Councillor Reports” in a format and content to be determined by Council. These reports allow for the publication and presentation by Councillors on their Council-related activities.

If Council determines that Councillor Reports are required, then it is appropriate at the Statutory meeting to pass a resolution that identifies the type of reports to be provided by Councillors, the content of those reports and the frequency of reporting.

### STRATEGIC CONTEXT

COUNCIL PLAN 2021 – 2025	
Theme	5. Accountability
Strategic Objective	5.5 Our Councillors and organisation are committed to the highest level of governance practices and conduct.

The recommended action provides for regular Council Meetings to provide transparency around Council decisions.

### RISK MANAGEMENT

Nil

### FINANCIAL IMPLICATIONS

There are no financial implications.

### LEGAL/COUNCIL PLAN/POLICY IMPACT

Nil.

### CONCLUSION

Council is required to set the annual schedule of Council meetings and to decide on the meeting preliminaries and the Councillor reports required at these Council meetings.

#### PURPOSE OF REPORT

The purpose of this report is to formalise the appointments of councillor representatives to all external and internal committees for the following year. Each appointment allows the representative to vote on committee issues on behalf of Council (on committees where Councillors have voting rights).

## STATUTORY MEETING AGENDA - 23 NOVEMBER 2021

### BACKGROUND

One of the important functions that Councillors perform is to represent Council on all advisory committee and various industry groups and peak bodies. There is value in the two-way communication with these groups.

Each year at the Statutory Meeting Councillors elect representatives for the various Advisory Committees and external bodies.

### DISCUSSION

Attachment 1 shows the committee details following the Statutory Meeting of 24 November 2021, and the number of Councillors required on each committee as specified by the relevant Terms of Reference (TOR) or Instrument of Delegation. Where committees do not have a requirement for a Councillor representative explicitly identified in their TOR, they have not been included in the attachment.

Attachment 1 shows the committee list and the number of Councillors required on each committee as specified by the relevant Terms of Reference (TOR). Where committees do not have a requirement for a Councillor representative explicitly identified in their TOR, they have not been included in the attachment.

### **Changes from 2020**

#### Advisory Committees

At its 2020 Statutory Meeting, Council resolved to increase the number of Councillor representatives on some advisory committees to enhance the connection with Council. Terms of Reference documents were updated to allow for this change and were adopted by Council in February 2021. As a result, representation on the Indigo Community Access Committee was increased to two Councillors, IndiGrow was increased to three Councillors, and all Councillors are to be appointed to the Finance Committee. The remaining advisory committees each have two appointed representatives, with the exception of the CEO Performance Review Committee which has all Councillors appointed.

The Wahgunyah Railway Land Development Committee is currently under review to determine the most appropriate governance model. The committee has discussed the options of remaining an advisory committee or becoming a Community Asset Committee, and a recommendation will be presented to a future Council. Until this time, this committee remains an advisory committee and requires the appointment of two Councillors.

#### Community Asset Committees

Resulting from changes under the *Local Government Act 2020*, Community Asset Committees now operate under an Instrument of Sub-Delegation of CEO Powers. Accordingly, Community Asset Committees no longer require Councillor representation. The Instrument of Sub-delegation to the Chiltern Goods Shed was amended to remove Councillor representation from the composition requirements. The updated Instrument was noted at the Council Meeting in April 2021.

#### External Committees

In determining the respective appointees to the various external bodies and internal committees, Councillors are encouraged to consider the following good governance principles:

## STATUTORY MEETING AGENDA - 23 NOVEMBER 2021

- the need to balance Councillors energies and time between policy development, financial oversight, strategic partnership, advocacy and liaison
- the spread of committee representation across Councillors, ensuring that where practicable the workload is shared.
- provision for Councillors to broaden and learn new skills
- length of time served on any one committee by an individual Councillor.

### Options

The option of ‘do nothing’ for the other committees has been considered, however if no formal appointments were made by Council, this would reflect poor governance and would not promote the transparency to the community that is achieved by the appointment of councillor representatives in an open Council Meeting.

### STRATEGIC CONTEXT

COUNCIL PLAN 2021 – 2025	
Theme	5. Accountability
Strategic Objective	5.5 Our Councillors and organisation are committed to the highest level of governance practices and conduct.

The act of appointing Councillor representatives promotes strong governance. It enables the regular change of Councillors on each committee, allowing a fresh approach to the committees’ business, refreshes their skill –base, and assists with transparent decision-making.

### SOCIAL/COMMUNITY IMPLICATIONS

Appointing Councillors to various Committees contributes to the objectives of good governance and community engagement. Through this action Council is ensuring community input, awareness and involvement in the initiatives and the direction of Council.

### ENVIRONMENTAL IMPLICATIONS

There are no environmental implications.

### FINANCIAL IMPLICATIONS

There are no financial impacts to Council. The costs for Councillors to attend committee meetings (travel expenses) are budgeted for in the current Councillor and Executive budget allocations.

### LEGISLATIVE IMPLICATIONS

Section 53 of the *Local Government Act 2020* requires Council to establish an Audit and Risk Committee which must include members who are Councillors of the Council. The appointment of at least two Councillors satisfies this requirement.

## STATUTORY MEETING AGENDA - 23 NOVEMBER 2021

### RISK & OPPORTUNITY MANAGEMENT

Description	Likelihood	Consequence	Final Risk Rating	Controls, treatments
A Councillor is appointed to a committee that they have been representative on for a period of time, and the committee misses out on broadening its skill base.	Possible	Minor	Low	The risks of this have been identified in this report.
An appointment is not made / committee has been missed and the committee is unable to function appropriately.	Possible	Minor	Low	The relevant stakeholders have reviewed this list prior to adoption
Too many or not enough Councillor representatives are appointed to any one committee which is then unable to function appropriately.	Possible	Minor	Low	The committee list indicates how many Councillors should be appointed for each committee.

In considering appointments to the committees, Councillors should take into account the governance principles above to mitigate risks. If the same Councillors continue with the same committees for multiple terms, then this circumvents good governance principles in that Committee members should be rotated over time to give other Councillors the opportunity to be involved in different committees as well as to allow the development of new skills.

### COMMUNITY ENGAGEMENT

#### CONSULTATION/COMMUNICATION UNDERTAKEN

No consultation with the wider community was required for the development of this report. Internal consultation was conducted with relevant stakeholders including the executive team and managers.

#### CONSULTATION/COMMUNICATION PROPOSED

No future consultation is proposed.

### CONCLUSION

Clarification of Councillor appointments is an important action that will enable Councillors to undertake their advocacy work in a coordinated and practical way. It will also provide a mechanism for direct feedback from the community to Council decision making processes.

### 7.2 APPOINTMENT OF CHAIR TO AUDIT AND RISK COMMITTEE

File No: 2021/886

Trevor Ierino - Chief Executive Officer

Executive Management

#### For Decision

#### RECOMMENDATION

That Council appoints [REDACTED] as Chair of the Audit and Risk Committee from 23 November 2021 until 5pm the day of the annual Statutory Meeting of the Council in November 2022.

#### PURPOSE OF REPORT

The report presents the recommendation of the Audit and Risk Committee for the election of a Chair to the Committee.

#### BACKGROUND

The Audit and Risk Committee is established under the *Local Government Act 2020* (the Act). Under the Audit and Risk Committee Charter, the Committee must put forward a recommendation for Chair (and may put forward a recommendation for a Deputy Chair). Only Council can formally appoint the Chair (and a Deputy Chair) by resolution at a Council Meeting.

#### DISCUSSION

The Act dictates that the Chair of the Audit and Risk Committee cannot be a Councillor, and must be drawn from one of the independent members.

The independent members of the committee have been consulted and have recommended a chair for the next 12 months. This is in accordance with a long-standing practice of the Audit Committee to rotate the chair each year.

#### Options

Council must appoint a Chair to comply with section 53(4) of the Act.

Council may choose to appoint a Chair not recommended by the Committee. Past practice however has been for the independent members to decide on the next chair.

#### STRATEGIC CONTEXT

COUNCIL PLAN 2021 – 2025	
Theme	5. Accountability
Strategic Objective	5.5 Our Councillors and organisation are committed to the highest level of governance practices and conduct.

The appointment of a Chair completes the requirement under the Act to establish an Audit and Risk Committee.

#### SOCIAL/COMMUNITY IMPLICATIONS

The Audit and Risk Committee provides oversight of the Council around matters of transparency, accountability, probity and risk, which has an impact on public trust.

### LEGISLATIVE IMPLICATIONS

The appointment of a Chair by Council is compliant with obligations under the Act.

### RISK & OPPORTUNITY MANAGEMENT

The appointment of a Chair as recommended by the Committee is a statutory function of Council which carries minimal risk.

### COMMUNITY ENGAGEMENT

Community engagement was not required.

Following a Council decision the community will be informed of the appointment with the other announcements of appointments and elections following the Statutory Meeting.

### CONCLUSION

The recommendation from the independent members of the Audit and Risk Committee, and the appointment of a Chair are compliant with the Act as well as the Audit and Risk Committee Charter.
